Notes: Under GASB #54 the Fund Balance is classified under different sub-categories as follows:

Spendable - Restricted	Has constraints on spending that are legally enforceable by outside parties.
Spendable - Unrestricted - Committed	Has constraints on spending that the District imposes upon itself by high-level formal action prior to the close of the period.
Spendable - Unrestricted - Assigned	Applies to resources intended for spending for a purpose set by the governing body itself or by some person or body delegated to exercise such authority in accordance with policy established by the board.
Spendable - Unrestricted - Unassigned	Residual fund balance.
Non-Spendable	Not available for spending, either now or in the future, because of the form of the asset (e.g. fixed assets)

\* Unassigned Fund Balance is affected by changes made to our reserves, as well as current year net income. This is our best current estimate of our Unassigned Fund Balance. It will continue to change as we monitor our revenues and expenses as we close out the FY. We will continue to see adjustments in this area until the year has been finalized.

Property tax assessments on the residents in the Oak Way Assessment District are used to pay the maintenance costs of Oak Way Park which is maintained by CARD.

Property tax assessments on the residents in the Oak Way Assessment District cannot be raised due to how the assessment district was originally established. As such, some operating expenditures must be supplemented by the General Fund in order for the Oak Way Park Fund to properly operate. The General Fund is currently supplementing the costs of salaries and benefits of this fund.
